All charges advanced will be assessed and collected in the same manner as freight charges are collected by law.

300	STORAGE -IN-TRANSIT (A) Storage in transit if shipments covered by this tariff is the holding of the shipment in the warehouse of the carrier or its agent, for storage, pending further transportation, and will be effected only at specific request of the Shipper. For the purpose of this rule, a carrier may designate any public warehouse to serve as its agent. (B) The shipments moving under this rule may be placed in storage in transit only once and for a period not to exceed one hundred and eighty (180) days, from the date of unloading into warehouse. When not removed at the expiration of the time specified herein, and in the event shipment remains in storage in excess of one hundred and eighty (180) days, the point of storage shall be considered the point of destination and thereafter shall be subject to the rules, regulations, and charges of the individual warehouse. (C) All accrued charges are due immediately on receipt of shipment, for storage in transit; thereafter, storage charges are due monthly, in advance. (D) Charges for pick-up and delivery in conjunction with storage in transit shall be computed on a weight basis. (See Section II, Item 400) (See Item 670).

On shipments estimated as weighing less than 1,000 pounds, the carrier may have the shipment weighed over a platform or hand scales in lieu of obtaining a weighmaster's certificate, provided a written statement of the weight signed by the weigher is obtained. (B) If no scale is available the weight shall be determined by multiplying the cubic feet occupied by seven (7) pounds per cubic feet.
